History-Social Science Grade Ten

2014-2016 Draft History-Social Science Framework

Concerning the rows from 913th to 919th in page 469 of Chapter 15, Grade Ten – World History, Culture, and Geography: The Modern World,

“Comfort Women, “a euphemism for sexual slaves, were taken by the Japanese Army in occupied territories before and during the war. “Comfort Women” can be taught as an example of institutionalized sexual slavery, and one of the largest cases of human trafficking in the twentieth century; estimates on the total number of comfort women vary, but most argue that hundreds of thousands of women were forced into these situations during Japanese occupation.

Hello, following is my comment regarding the above draft.

I believe that the above description for “Comfort Women” is a kind of propaganda (by anti-Japan people such as Korean and Chinese) to break the relationship between U.S. and Japan.

Because, China is aiming to conquer Japan to get hegemony of east Asia as a first step. China, however, can’t conquer Japan under the U.S.-Japan Security Treaty. So, China is trying to break the Treaty by generating U.S. opinion against the Treaty as a result of such kind of propaganda.

The “Comfort Women” story is verified as a fake by the following documents etc.

- 1. Interagency Working Group : “ Final Report to the United States Congress, April 2007.”(1-880875-30-6)**
- 2. OFFICE OF WAR INFORMATION Psychological Warfare Team
Attached to U.S. Army Forces India-Burma Theater APO 689**

As to China’s strategy, the following book was published, which says that China is aiming to get the World Hegemony until 2049.

**“THE HUNDRED-YEAR MARATHON”
by Michael Pillsbury (Japanese Title “China 2049”)**

Finally, I strongly hope that U.S. people is fair and not influenced by fake propaganda.

Thank you very much for your reading and understanding.
